IN SUPPORT OF FRANCIS HOUSE
CHILDREN'S HOSPICE

INTER CHEADLE OLD BOYS

VS

UNITED UTILITIES UTD

This charity football match has been organized to help raise much needed funds for a local and well respected charity. Francis House was created in 1990, by Sister Aloysius, to provide help for families around the North West who have children with life limiting conditions.

The charity began as the Rainbow Family Trust and the hospice project was opened in 1991 by the late Princess Diana.

Francis House is planning to double the size of the Didsbury site with a £3.5 million 7 bedroom extension, expected to begin construction in the New Year.

If you would like to find out more information on the incredible work Francis House does please visit their website.
